Healing with the stories: a ritual for the blesses of the memory

**How to deal with traumatic events
in the personal and community process**

November, 1st

From 10 AM to 5PM

Milano - Italy

**"La Luna Nuova" Via Monte Popera,5
(Underground Line 3 "Rogoredo")**

We will have a short workshop on basic Playback Theatre and an interactive dialogue with Jonathan Fox focused on Playback Theatre used in communities suffering from natural and civil disaster, such as war and flood or personal trauma like a grief or a violence.

Jonathan will draw on learning from the recent playback theatre Katrina Relief Project in New Orleans to highlight what needs to be done practically, ethically, and artistically to fulfil playback theatre's potential to serve people in crisis.

Cost: euro 80

Information and reservations (before October 5th)
